Floral Trade Customs

ORDERS for 2¼-inch pot roses must be for not less than three plants of any one variety at the dozen rate, and not less than 25 of any one variety at the hundred rate; three or more 4-inch at the dozen rate, and ten or more at the hundred rate. For two plants of a variety add 25%, and for one plant of a variety add 50% to the per dozen price.

TERMS—Cash (money order, draft or registered letter) with order will entitle purchaser to extra count in Roses of our selection equivalent to a 5 per cent. discount, or a discount of 3 per cent. may be deducted from remittance. C. O. D. orders must be accompanied with one-third of the amount in cash. Accounts opened only with known or favorably rated correspondents or those furnishing amply satisfactory references.

PACKING—Always free, in light boxes, securely strapped, ventilated in warm weather, well lined in cold weather. From one to two-thirds (and for very distant points all) soil removed and roots carefully wrapped in damp moss and paper.

DELIVERY f. o. b. express car or postoffice at Springfield, Ohio. Weather forecasts always carefully ascertained before forwarding during cold weather.

PARCEL POST is recommended as being usually the most economical and safe method of shipping, this service having proven almost invariably prompt and satisfactory, so that more soil may safely be removed and weight correspondingly reduced. Ascertain your zone distance, approximate the probable weight and make a fair allowance for postage; any excess amount remitted will be refunded or credited after exact weight and postage shall have been ascertained. Special delivery is frequently advantageous; insurance is cheap.

FREIGHT shipment will be made only upon explicit instructions and entirely at risk of purchaser. We assume no responsibility except to deliver properly packed and in good order to depot, bill and route correctly and follow with tracer.

COMPLAINTS will not be recognized unless lodged with us promptly after receipt of goods.
